FINALS PROCEDURES

1. Uniforms will be distributed at the competition tent at the sport venue on Friday July 28, 2017, 1 hour before the start of each division. Coordinators may pick up uniforms on Thursday at the KSG Headquarters by 8pm if desired. Any roster changes must be handed in when you pick up your uniforms.
2. PIAA rules will be used for Youth, Junior and Scholastic play, with modifications to the time of play, discipline rule, and mandatory use of goggles. The PIAA Rule for Goggles will not be mandatory for the tournament, but are allowed per the discretion of each player.

ALL GAMES will play: 9 minute quarters with a water break / timeout between each quarter as follows:

Quarter 1—9 minutes
Water break / timeout—2 minutes
Quarter 2—9 minutes
Water break / half time—3 minutes
Quarter 3—9 minutes
Water break / timeout—2 minutes
Quarter 4—9 minutes

- RUNNING CLOCK for all games
- NO TIMEOUTS during the game—the mandatory 2 minutes between quarters will act as a coachable timeout

The PIAA adjusted discipline rule for the Games will be—Any coach and/or contestant ejected from a contest by a Keystone State Games official and/or game official for unsportsmanlike conduct or flagrant misconduct shall be disqualified from coaching and/or participating for the remainder of the day and in the next contest on the next contest day.

3. No overtime will be played during pool play games. All corners played out at the conclusion of each quarter.
4. All roster changes must be completed during the time a team representative picks up the uniforms. After this time, regardless of the reason for losing a player, the team must continue with the roster as submitted.
5. A flip of a coin by the official will determine ball possession or direction for the start of each game. The team listed second on the game schedule will call the coin toss.
6. Games will start on the scheduled time. In the event of predicted inclement weather, or other legitimate causes, games may start prior to the scheduled start time; or may be delayed. It is vitally important that the Tournament Leader have a local phone number for each team contact. Phone numbers will be listed on the Phone Contact Sheet available at the pre-competition meetings.
7. All practice opportunities must be completed prior to the beginning of the tournament. Teams will not be allowed to practice at the tournament venues. Any breach of this rule will result in a forfeiture of the next scheduled game for that team. Teams may have time on the field before the start of any game for warm-up if time allows. We will stay on schedule as best as possible throughout the tournament.

8. No protests on judgment calls or rules interpretations are allowed. Any disagreements must be resolved before the ball is next put into play. Once the ball is next put into play no recourse to the previous situation is allowed. The referee's decision is final.

The only protests allowed are for ineligible players - an older division player participating in a younger division. A younger division player playing in an older division is not cause for a protest. The Sport Leader and KSG Leader is the final authority on all protests.

9. Athletes should have an ID or Wrist Band to show that they have registered with KSG.

10. Each team will be provided with uniform shirts. These shirts must be worn during competition. Only the Competition Director is allowed to grant exceptions.

Shin guards will not be provided, but will be mandatory for each player. Each team listed first on the schedule will be considered the home team. The home team will have light/white colored shin guards/socks, and the away team will have dark/black shin guards/socks. NOTE: It would eliminate equipment changes if all teams would coordinate their shinguards/socks with their shirt colors. If the coordination is possible this would override the "home team light - away team dark" requirement.

11. Pool Play

- a. The points earned in pool play and will determine the place for single elimination and medal games
 - 3 points awarded for a win
 - 1 point awarded for a tie
 - 0 points awarded for a loss

12. Due to inclement weather or other occurrences that can delay the schedule, teams must be prepared to play well beyond the original printed schedule. Failure of a team to be ready to play according to the following guidelines may result in a forfeiture of the re-scheduled game.

Tie Breaker for Points in Pool Play

If there is a point tie among teams at the end of pool play, the following procedure will be used to break ties:

1. Points
2. Head-to-head competition
3. Most wins
4. Goal differential, max 5 goal differential per game
5. Goals Against
6. Goals Scored

Single Elimination and Medal Games

All SINGLE ELIMINATION/MEDAL GAMES will be played to determine a winner. If a position or medal game is tied at the end of the regulation play a 10 minute overtime will be played, with seven (7) players (including the goalie) on the field for each team with the first goal scored determining the winner. If no goal is scored in the overtime period then the outcome of the game will be determined by penalty strokes as prescribed in the rules. During the overtime period, substitutions are allowed the same as during regulation play.
